

## Wren's Little Builds Competition Entry Form

### **KIDS! DRAW YOUR FANTASY KITCHEN!**

What's the best kitchen you can think of? Does it have special taps for juice, or maybe an oven that makes and bakes cakes?

Draw your best kitchen ideas in the box, and ask your parent or guardian to send us a photo over Instagram, Twitter, or Facebook, using #WrensLittleBuilds.

If your design is the very best of the bunch, we'll build your very own dream kitchen for you to play in every day!
